Chicano Student Programs

Empowering RAZA Through Education

This Student Services Department warmly known as “CSP” is designed to meet the educational needs of Chicano/Latino students on campus. The office provides leadership and organizational development through various clubs and activities along with a bridge of communication among students, faculty and staff for optimum networking. Annual events offered by the program promote enrichment, awareness, and pride in Chicano/Latino culture.

Students are encouraged to engage in the exchange of information, make use of computers or browse the selected library collection at the center located in the Commons area. Highlighted campus events include the Fall Chicano/Latino Orientation, Juegos de Aztlan, Noche Cultural, Poesía Peligrosa, Chicano Community College Transfer Day, and the Chicano/Latino Youth Conference.

The office’s “home-away-from-home” atmosphere and high frequency of visitors from in and around the campus along with an open-door, drop-in policy for students provides a supportive atmosphere.
