December 13, 2019

Dear Students and Counselors,

You are cordially invited to attend our 30th Annual Chicano/Latino Youth Conference that will take place at the University of California, Riverside on **Saturday, April 27, 2019** from 8:00 a.m. to 3:00 p.m.

Our high school conference encourages our community to empower each other, especially our youth. By encouraging our youth to pursue a higher education, we seek to set a foundation to continue building upon the work of our predecessors and to learn about our *cultura*, our history, and our identity.

Participating students will attend workshops regarding information about universities' admission requirements, career and special interests. In addition, motivational speakers will be presenting information which we hope will empower students and inspire them to pursue a higher education. The conference will also feature a college resource faire which will provide information about other universities and what they have to offer. Entertainment and lunch will be provided along with the opportunity to interact with current college students.

We would also like to extend an invitation to parents. We will be offering parent workshops on pertinent information in regards to academic success, financial aid, parent support and much more. We strongly encourage students to invite their parents so they may both share and benefit from this experience.

This event is free of charge and open to all high school students and their parents. If you have any questions, please feel free to contact Chicano Student Programs at (951) 827-3821. You can also fax registration forms to (951) 827-2189. **Please note, due to limited capacity registration will be accepted on a first come first serve basis in an effort to accommodate our participants.**

We look forward to seeing you on April 27th!

Sinceramente,

Estella Acuña
Director, Chicano Student Programs
